

**References**

Data acquired from a variety of sources of differing accuracy, precision and reliability. Features represented by the data may not represent accurate geographic locations. River and stream centerlines taken from the U.S. Geological Survey National Hydrography Dataset (NHD) and carry the same limitations. Ephemeral streams not shown for clarity.

**Disclaimer**

The USDA Forest Service makes no warranty, expressed or implied regarding the data displayed on this map, and reserves the right to correct, update, modify, or replace this information without notification. Creation of these maps does not indicate USDA support of this proposal. This represents USDA technical assistance only. These documents remain congressional records in their entirety, even after the completion of the proposed maps, and are not USDA records under the Freedom of Information Act (FOIA) or any other law. If USDA receives any request or demand for access to these records under the FOIA or any other authority, USDA will immediately notify the Committee and will respond to the request or demand based upon the understanding that these are congressional, not USDA, records.
